GENERAL INSTRUCTIONS

Am I a Resident, "Safe Harbor" Resident, Part-Year Resident, or Nonresident?

To determine your residency status for 2011, read the following and check the proper box. **Retain this worksheet for your records.**

<u>Domicile</u>: Domicile is the place an individual establishes as his or her permanent home and includes the place to which he or she intends to return after any period of absence. A number of factors associated with residency are relevant in the evaluation of a claimed domicile. A domicile, once established, continues until a new, fixed and permanent home is acquired. To change domicile, a taxpayer must exhibit actions consistent with a change. No change of domicile results from moving to a new location if the intent is to remain only for a limited time, even if it is for a relatively long duration.

RESIDENCY WORKSHEET

☐ Full-Year Resident:

(1) Maine was my domicile for the entire year of 2011;

OR

(2) I maintained a permanent place of abode in Maine for the entire year <u>and</u> spent a total of more than 183 days in Maine.

☐ "Safe Harbor" Resident:

General Safe Harbor - Maine was my domicile in 2011, I did not maintain a permanent place of abode in Maine, I maintained a permanent place of abode outside Maine and I spent no more than 30 days of 2011 in Maine. Individuals qualifying under the safe harbor rule will be treated as a nonresident for Maine individual income tax purposes. **If you are a** "Safe-Harbor" resident, you must file Form 1040ME with Schedule NR or NRH.

Foreign Safe Harbor - I spent at least 450 days in a foreign country during any 548-day period that begins or ends during the tax year. The taxpayer must also meet other eligibility criteria. If you qualify for the Foreign Safe Harbor, you will be considered a "Safe Harbor" Resident and treated as a nonresident for the 548-day period even though you were domiciled in Maine.

For more information and examples on "Safe Harbors", see the Guidance to Residency "Safe Harbors" brochure available at www.maine.gov/revenue/forms or call the forms line at (207) 624-7894.

- □ Part-Year Resident: I was domiciled in Maine for part of the year and was not a full-year resident as defined in (2) above. If you are a part-year resident, you <u>must</u> file Form 1040ME with Schedule NR or NRH.
- □ Nonresident: I was not a resident or part-year resident in 2011, but I do have Maine-source income. Note: If you filed as a nonresident alien on your federal income tax return, file as a nonresident alien on your Maine income tax return, Form 1040ME. Follow the federal filing requirements for filing status, number of exemptions, federal adjusted gross income, and itemized deductions. If you are a nonresident, you must file Form 1040ME with Schedule NR or NRH.

For additional information on determining Maine residency, see the Maine Revenue Services *Guidance to Residency Status* and *Guidance to Residency "Safe Harbors"* brochures at www.maine.gov/revenue/forms or call the forms line at (207) 624-7894.

I AM IN THE ARMED FORCES. WHAT IS MY RESIDENCY STATUS?

Maine Resident: Except for "Safe Harbor" Residents treated as nonresidents for Maine income tax purposes (see example below), a Maine resident who enters the U.S. armed forces remains a Maine resident throughout the period of military service (even when absent from Maine on military orders) and is subject to the same filing requirements as any other Maine resident. This remains true unless you take legal action to change your residency (domicile) to another state.

Example: Paul, single, is a member of the U.S. armed forces stationed

in Arizona and domiciled in Maine. He lived in military housing in Arizona during all of 2011 and did not maintain a permanent place of abode in Maine at any time during the year. While on leave, he stayed with relatives in Maine for 15 days. Paul is a "Safe Harbor" resident and will be treated as a nonresident for Maine income tax purposes.

Nonresident: If you are not a Maine resident, but stationed in this state by military orders, your military income is not subject to Maine tax. However, if you earned non-military pay in Maine resulting in a Maine income tax liability, you must file Form 1040ME with Schedule NR or NRH.

Instructions for Married Couples:

WE ARE BOTH FULL-YEAR MAINE RESIDENTS. HOW DO WE FILE WITH MAINE? You must file a Maine return using the same filing status as properly used on your federal return.

- I AM A FULL-YEAR MAINE RESIDENT, BUT MY SPOUSE IS NOT. HOW SHOULD WE FILE? If you filed a joint federal return you have two options:
- (1) You can choose to file a joint Maine return as if both of you were full-year Maine residents (you may qualify for Credit for Tax Paid to Another Taxing Jurisdiction, see Form 1040ME, Schedule 3);

OR

(2) Each can file a Maine return as a single individual using **Form 1040ME with Schedule NRH**. Each return must show the proper residency status. (If the nonresident, or "Safe Harbor" resident spouse, has no Maine-source income, that spouse does not have to file a Maine return.) You may choose this option only if you filed a joint federal return. Otherwise, you must file a Maine return using the same filing status as properly used on your federal return.

WE ARE BOTH NONRESIDENTS or "SAFE HARBOR" RESIDENTS, FILED A JOINT FEDERAL RETURN, BUT ONLY ONE SPOUSE HAS MAINE-SOURCE INCOME.

You have two options:

- (1) You can choose to file a joint Maine return and determine your joint tax liability as nonresidents using Form 1040ME with Schedule NR;
- (2) The spouse who has Maine-source income can choose to file a return as a single individual using **Form 1040ME with Schedule NRH**.

WE ARE BOTH NONRESIDENTS or "SAFE HARBOR" RESIDENTS AND BOTH HAVE MAINE- SOURCE INCOME. You must file a Maine return using the same filing status as properly used on your federal income tax return, and you must complete Form 1040ME and Schedule NR.

<u>SPECIFIC INSTRUCTIONS — FORM 1040S-ME</u>

Note: (Form 1040S-ME is designed to comply with optical scanning requirements. The spaces outlined in red must be completed carefully in black or blue ink. Letters and numbers must be entered legibly <u>within</u> the outline area. Letters must be in upper case only. Name, address, etc., must start on the left; dollar amounts must start from the right.) * **For example:**

Enter letters like this:

Your Last Name

S_AM_PL_E

Enter dollar amounts like this:

2, 2, 4, 9, 5, 0 0

Round down to the next lowest dollar any amount less than 50 cents. Round up to the next higher dollar amount 50 cents or more. Due to scanning requirements, only original forms and schedules should be submitted. PHOTOCOPIES ARE NOT ACCEPTABLE.

For information on electronic filing, visit our web site at www.maine.gov/revenue.

STEP 1: NAME, ADDRESS, SOCIAL SECURITY NUMBERS

Print or type your name(s) and mailing address in the spaces provided. **Social security number(s):** You **must** enter your social security number(s) in the spaces provided.

Line 1. Check the box for you and/or your spouse if you want \$3 of your tax dollars to be applied to the **Maine Clean Election Fund**. This fund was established to finance the election campaign of certified Maine Clean Election Act candidates. *Checking this box does not increase your tax or reduce your refund but reduces General Fund revenue by the same amount.*

Line 2. Check this box if at least two-thirds of your gross income for 2011 was from **commercial farming or fishing** as defined by the Internal Revenue Code. Include your spouse's income in your calculation if you are filing a joint return.

STEP 2: FILING STATUS

Lines 3-7. Check the box for the **filing status** properly used on your federal income tax return. If you check married filing separate, be sure to include your spouse's name and social security number.

Line 8. Check the appropriate boxes for you and your spouse if you or your spouse were **65 or over and/or blind** for federal income tax purposes.

STEP 3: EXEMPTIONS

Line 9. Enter the total number of **exemptions** properly claimed on your federal return.

STEP 4: CALCULATE YOUR TAXABLE INCOME

Line 10. Enter your **federal adjusted gross income** shown on your federal income tax return (federal Form 1040EZ, line 4 or 1040A, line 21 or 1040, line 37). Enter negative amounts with a minus sign in the box immediately to the left of the number.

Line 11. If you are an active member of the Maine Public Employees Retirement System (MePERS), enter the amount of your 2011 contributions on this line. Contributions to the MePERS are tax deferred for federal income tax purposes, but are taxable on the Maine return. To get the amount of your contributions, subtract the federal wages from the state wages on your State of Maine W-2 Form. NOTE: If you retired after 1988 and you are receiving benefits from the MePERS, you are entitled to a deduction on pension amounts received that were previously taxed by the State. To claim this deduction, you must file using the Long Form (1040ME).

Line 12. Enter on this line income from direct obligations of the U.S. Government, such as **U.S. Government Savings Bonds and U.S. Treasury Bills and Notes**. Write only the amount of this interest that is included in your federal adjusted gross income.

Line 13. Enter the amount of **social security and railroad retirement benefits** (tier 1 and tier 2) that are included as taxable in your federal adjusted gross income.

Line 14. Pension Income Deduction. See instructions and worksheet on page 8.

Line 16. If you use the **standard deduction** on your federal return, you must use the Maine standard deduction on your Maine return. If you itemize deductions on your Maine return (based on federal itemized deductions), you <u>must</u> file using the long form, 1040ME, and complete Schedule 2.

MAINE STANDARD DEDUCTION AMOUNTS:

S INGLE	\$5,800
MARRIED FILING JOINTLY OR QUALIFYING WIDOW(ER)	\$9,650
HEAD OF HOUSEHOLD	\$8,500
MARRIED FILING SEPARATELY	\$4.825

IF YOU CAN BE CLAIMED AS A **DEPENDENT** on another person's return, the standard deduction is the greater of \$950 or earned income plus \$300 (up to the standard deduction amount shown above for your filing status).

Additional Maine Standard Deduction for Age and/or Blindness:

Unmarried (single or head of household): multiply the number of boxes checked on lines 8a and 8b by \$1,450. Add the result to the standard deduction for your filing status above.

Married (whether filing jointly or separately) or a qualified widow(er): multiply the number of boxes checked on lines 8a, 8b, 8c and 8d by \$1,150. Add the result to the standard deduction for your filing status above.

NOTE: If married filing separately, the additional deduction amounts pertaining to your spouse apply only if you can claim an exemption for him/her.

Line 17. Multiply the total number of **exemptions** on line 9 by \$2,850 and enter the result on this line.

Caution: If you filed federal Form 1040EZ and checked one or both boxes on line 5 of that form and line F of the "Worksheet for dependents who checked one or both boxes on line 5" is zero (see reverse side of federal Form 1040EZ), enter zero on line 17 of your Maine short form. If you checked one or both boxes on federal Form 1040EZ, line 5 and line F of the worksheet is \$3,700, enter \$2,850 on line 17 of your Maine short form.

STEP 5: CALCULATE YOUR TAX & CONTRIBUTIONS

Line 19. Find the **income tax** for the taxable income on line 18 in the tax table on pages 9 through 11 or compute your tax based on the tax rate schedule on page 11.

Line 21. If your taxable income, line 18, is \$2,000 or less, neither you nor your spouse (if married) is claimed as a dependent on somebody else's return, and you are not subject to the Maine Minimum Tax, you are entitled to a low-income tax credit equal to the income tax that would normally be due. If you qualify, enter the amount from line 20 on this line. You are not required to file a return if you qualify for this credit. However, you must file a return to claim any refund due to you.

Line 22. Your Maine earned income tax credit is equal to 5% of your federal earned income tax credit but only to the extent of your Maine tax liability. The Maine earned income tax credit is not refundable. Enter the amount of your federal credit in the space provided and multiply that amount by .05. Enter the result in the boxes provided.

Line 24. Enter the total amount of **Maine income tax withheld**. Enclose **(do not staple or tape)** supporting W-2 and 1099 forms (including Form 1099ME, if applicable). Legible photocopies of your W-2 or 1099 forms on 8 1/2 by 11 inch paper are preferred.

Line 27. If you purchased items for use in Maine from retailers who did not collect the Maine sales tax (such as businesses in other states and many mail order and internet sellers), you may owe Maine use tax on those items. The rate of tax for purchases in 2011 is 5%. If you paid another state's sales or use tax on any purchase, that amount may be credited against the Maine use tax due on that purchase. If you do not know the exact amount of Maine use tax that you owe, either multiply your Maine adjusted gross income from line 15 by .08% (.0008) or use the table below. NOTE: For items that cost \$1,000 or more, you must add the tax on those items to the percentage or table amount. Use tax on items that cost more than \$5,000 must be reported on an individual use tax return by the 15th day of the month following its purchase. For additional information on Maine use tax visit www.maine.gov/

revenue/salesuse/usetax/usetax.html or call (207) 624-9693.

	60,000 ar	nd up — .08%	of Form 104	OS-ME, Line	15									

Line 27a. If you collected \$2,000 or less in sales tax on casual rentals of living quarters, you may report the tax on this line. Multiply the rentals received in 2011 not reported on any sales tax return by 7%. Note: To report sales tax greater than \$2,000, you must file a sales/use tax return to report all sales you owe to Maine. Sales and use tax forms are available at www.maine.gov/revenue/salesuse/returnlink.htm or call (207) 624-9693.

Line 28. Enter the total amount of voluntary contributions and state park pass purchases from line 14 of Schedule CP.

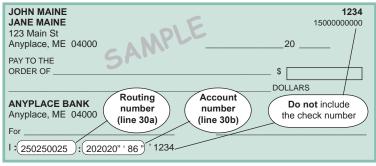

STEP 6: CALCULATE YOUR REFUND OR BALANCE DUE

Line 29. Enter the amount of your **refund**. Refunds of more than \$1.00 will be issued to you. Checks that are returned to us cannot be remailed until the correct address is known.

B. PARK PASSES. Maine Park passes can be purchased through Maine Revenue Services when you file your income tax return. Note that visitors 65 years or over are admitted to Maine State Park day-use areas free of charge upon proof of age. An individual pass allows only the pass holder admittance to day use of Maine state parks and historic sites. A vehicle pass (for vehicles weighing up to one-ton/17 passengers) allows all occupants of the vehicle admittance to day use. These passes do not include entry into Baxter State Park, Allagash Wilderness Waterway, the Penobscot River Corridor or Scarborough Beach. Any pass purchased will reduce the amount of your refund or increase the amount you owe. If you have any questions regarding the purchase of park passes, please call the Bureau of Parks and Lands at (207) 287-3821.

To be sure you have your park pass when State Parks begin collecting fees, please file Schedule CP with your income tax return as early as possible. Expect some delays in processing when filing your return later in the season.

2011 - Worksheet for Pension Income Deduction - Form 1040S-ME, Line 14
Enclose this Worksheet and copies of your 1099 form(s) with your Form 1040S-ME

You and your spouse (if married) may each deduct up to \$6,000 of eligible pension income* that is included in your federal adjusted gross income. Except for military pension benefits, the \$6,000 cap must be reduced by any social security and railroad retirement benefits received, whether taxable or not.

Deductible pension income includes state, federal and military pension benefits, as well as retirement benefits received from plans established and maintained by an employer for the benefit of its employees under Internal Revenue Code (IRC) sections 401(a) (Qualified Pension Plans, including qualified 401 SIMPLE plans) and 403 (Employee annuities). Deductible pension income also includes benefits received under IRC section 457(b) (State and local government/tax exempt organizations/eligible deferred compensation plans), **except** that pension income from 457(b) plans received prior to age 55 that is not part of a series of equal periodic payments made over the life of the recipient and the recipient's designated beneficiary, if applicable, may not be included in the deductible pension amount.

Pension benefits that <u>do not qualify</u> are those received from an individual retirement account (including SIMPLE individual retirement accounts), simplified employee pension plan, benefits from an ineligible deferred compensation plan under IRC section 457(f), refunds of excess contributions, lump-sum distributions included on federal Form 4972 and distributions subject to the additional 10% federal tax on early distributions (see federal Form 5329, Part 1, or federal Form 1040, line 58). Also, disability benefits reported as wages on your federal income tax return <u>do not</u> qualify.

*Eligible pension income does not include benefits earned by another person, except in the case of a surviving spouse. Only the individual that earned the benefit from prior employment may claim the pension income for the deduction. However, a widowed spouse receiving survivor's benefits under an eligible pension plan may claim that amount for purposes of this deduction, but the total pension deduction for the surviving spouse may not exceed \$6,000.

NOTE: Enter eligible non-military pension benefits on line 1 and eligible military pension benefits on line 6.

Should I file a Maine income tax return? If you are a resident of Maine who is required to file a federal income tax return, you must file a Maine income tax return. If you are not required to file a federal return, but do have income subject to Maine income tax resulting in a Maine income tax liability, a Maine return must be filed. You do not have to file a Maine income tax return if you meet all of the following requirements: 1) your Maine taxable income is \$2,000 or less, 2) you claim yourself as an exemption on your return, AND 3) you are not subject to the Maine Minimum Tax. However, you must file a return to claim any refund due to you.

If you are a nonresident or a "Safe Harbor" resident who has income from Maine sources resulting in a Maine income tax liability, you <u>must</u> file a Maine income tax return. However, you may not be required to file if the number of days worked in Maine as an employee is 12 or less (36 days or less in some cases), or your Maine income is less than \$3,000. See 36 MRSA § 5142(8-B) and Rule 806.

When must I file my return? No later than April 17, 2012.

I am getting a refund this year. When will I get my check? Please allow at least eight weeks for your refund to arrive before you contact us. For automated information about the status of your refund request, visit www.maine.gov/revenue (select Where's My Refund).

What if I need more time to file? Maine allows an *automatic* six-month extension of time to file. Requests for additional time to file must be submitted in writing <u>prior</u> to the expiration of the six-month period. Generally, the total extension period cannot exceed eight months.

Caution: An extension to file your Maine return is not an extension for payment of tax. If you owe tax, you must pay at least 90% of that amount by the original due date for filing your return (April 17, 2012 for calendar-year filers) and the remaining 10% must be paid when the return is filed on or before October 15, 2012 in order to avoid the penalty for late payment of tax. However, interest is charged on any tax paid after the original due date of your return.

Remit your extension payment electronically using Maine EZ Pay (no forms required) at www.maine.gov/revenue or download the payment voucher at www.maine.gov/revenue/forms by the original due date for filing your Maine return.

What should I do if there is a change in my Maine tax liability? You must file a Maine amended return if you file a federal amended return, if the Internal Revenue Service makes a change to your federal return, or if your Maine tax liability changes for any other reason. Individuals must file a Maine amended return (1040X-ME) within 180 days after filing a federal amended return or after receiving final determination of any change by the Internal Revenue Service. Maine imposes a penalty for failure to notify the state of these changes. When filing a Maine amended return, attach a copy of your federal amended return (Form 1040X) or the Internal Revenue Service agent's report to your form. If the change is to the Maine return only, include a description of the change on page 2 of Form 1040X-ME.

What if I file or pay late? You will be charged interest. For calendar year 2012, the interest rate is 7%, compounded monthly, on income tax not paid by the due date (April 17, 2012 for calendar-year filers). An extension allows only additional time to file; it does not allow additional time for payment of tax due or prevent accrual of interest.

In addition to interest, a penalty is assessed for late filing. A separate penalty is assessed for the late payment of tax. The **penalty for late filing** is \$25 or 10% of the tax due, whichever is greater. If a tax return is not filed upon demand, the penalty for late filing is the greater of \$25 or 25% of the tax due. The **penalty for late payment** of the tax is 1% per month up to a maximum of 25%. Both penalties are assessed when the return is filed late and the tax is paid late. The law also provides for penalties for underpaying estimated tax, preparing or filing a fraudulent income tax return, and for understating income. For more information on late filing, see 36 MRSA § 5278 or visit www.maine.gov/revenue.

Am I required to file and pay estimated tax? See the instructions for Form 1040ES-ME at www.maine.gov/revenue/forms.
